The District 15 STaC will be held the week of March 29- April 4, 2010. The STaC will consist of single-session stratified pair games each day, Monday through Sunday or you may choose to hold a one or two session Swiss Team game. There will be three single sessions per day. The morning session will include games that start before 12:00 N. the second session will include games starting before 6:00 PM. The third session will include games starting after 6:00 PM. You may use your current starting times or change to a time more convenient for this type of event (please be aware that players may assume normal start times). A club that chooses to hold a game at other than its scheduled time may do so only if it does not conflict with another regularly scheduled game in that area.
